

**YEAR 1
NUMERACY
TARGET GRIDS**

I can count in multiples of 2, 5 and 10.

I can say if a number is equal to, more than, less than, most or least.

I can count to and across 100, forwards and backwards.

I can count, read and write numbers to 100.

I can find one more and one less than a given number.

I can read and write numbers from 1 to 20 in digits and words.

Number and Place Value

I can solve one step problems using subtraction.

I can solve one step problems using addition.

I can show and use number bonds to 20.

I can add and subtract 2 digit numbers to 20.

I can show and use subtraction facts within 20.

I can add and subtract one digit numbers to 20.

I can read, write and understand calculations with +, - and = signs.

Addition and Subtraction

I can solve one-step division problems.

I can solve one-step multiplication problems.

I can use arrays and multiples.

I can double single digit numbers.

I can share and group small amounts.

Multiplication and Division

Compare, describe and solve problems for length, heights, mass, capacity, volume and time.

I can tell the time to the hour and half past hour.

I am beginning to measure and record time.

I am beginning to measure and record capacity and volume.

I am beginning to measure and record lengths, heights and mass/weight.

I know how to use words relating to dates such as weeks and months.

I know the value of different coins and notes.

I can sequence events in order.

I know and use words relating to days.

Measurements

I can recognise, find and name a quarter of an amount.

I can recognise, find and name a half of an amount.

I can recognise, find and name a quarter of a shape.

I can recognise, find and name a quarter of an object.

I can recognise, find and name a half of a shape.

I can recognise, find and name half of an object.

Fractions

I can recognise and name 3-D shapes.

I can recognise and name 2-D Shapes.

I can describe movement.

I can describe position.

I can describe direction.

Geometry
