**What the school does well:**

- Helps children when they are hurt
- Great phonics!
- Contact with parents
- Always approachable, listens to concerns
- My child enjoys coming to school and is praised and supported to work hard and make progress
- School Dinners!

- The new outdoor equipment
- After school club
- Keeping my child safe
- Everything!
- Keep my child happy and on track
- Always willing to listen and help
- Helps with problems
- Makes learning fun
- Every member of school staff cares about each child. Mrs King is more than just a "school administrator she is like the glue that keeps the school together.
- The after school team care for me as Mum as much as my child - Thank you
- Safe, happy welcoming environment for pupils and families
- All staff are approachable and very helpful
- Activities within school hours
- Breakfast and after school club
- Welcomes new students, understanding their needs and helping the to adapt and make new friends
- God Bless Mrs Williams for her dedication and experience!
- The enthusiasm of Mrs Alcock is contagious!
- Any worries I have are dealt with straight away
- Mrs Davies and Mrs Ford are a real credit to school and my daughter loves her time spent at club.
- Nurtures and supports children

#### **How St Luke's could be improved:**

- More visual learning e.g. blocks and counters
- More school trips
- More after school sports activities
- Portions of school lunch
- Share school marking and assessment procedures
- Ensure suitable consequences for individual children who break the school rules.
- Greater choice of food and activity at after school club

#### **Plans to address parental suggestions for improvements.**

It is important that we work together as a school community to ensure that all the children have the best possible schooling experience. Please be assured we are listening to all of your comments and will work hard to address each point.

We acknowledge that several parents have commented on the desire for school to offer more out of school clubs and activities. Please be assured that we are working hard to create partnerships with a variety of sports clubs, to lead after school activities for all children in all year groups. We are also looking into offering a range of non-sporting related activities such as the children's safeguarding board and a choir.

During COVID times we have been pleased that we have been able to continue enrichment activities for all of the children including trips and visitors. Trips have included residential to Arthog, Warwick castle, Cadbury's World and Whittington Castle. Visitors into school have included the police, the school nurse and a local author. Teachers' are always working hard to ensure that their class curriculum is supported by trips and visits but are also mindful of the cost of these to families. We aim to ensure all children go on at least one school trip each academic year. This year we are pleased to have been able to offer each class one free school trip, the cost of which has been fully funded by school. Classes 1 and 5 will enjoy their trips in the summer term.

We thank all parents for their honest feedback and we look forward to continuing working together so all our children reach their full potential.
